

SECRETARY OF STATE  
**BRUCE McPHERSON**  
STATE OF CALIFORNIA

October 2005

Dear Friends,

I am pleased to present the 2005 edition of the California Roster.

The California Roster provides a comprehensive listing of government official contact information, as well as historical outlines of our constitutional offices and our state emblems. It includes California's federal, state, and county government officials, judicial officials, incorporated city and town officials, a listing of California's unincorporated areas, state agency information, and state officials for all of the United States.

This year the Roster is available exclusively online. Previously, the information in the Roster was updated only once a year. Utilizing the benefits of this online version, we will not only continue to provide the extensive annual update, but will also update information as it is made available to our offices during the course of the year.

Sincerely,

A handwritten signature in black ink, reading "Bruce McPherson".

BRUCE McPHERSON  
Secretary of State
